### Statements and Claims

The UNCLE TOBYS team guarantees that every serving of our breakfast cereal is made with at least 8g wholegrain. The original "Swiss Muesli" recipe was created by Dr Max Bircher-Benner in 1887. He was looking for a wholesome, nourishing food for the patients at his Swiss clinic and he found it by combining great tasting, nourishing ingredients. Inspired by the original muesli concepts, created by Dr Bircher-Benner, we take the wholegrain UNCLE TOBYS Oats you love, and blend them perfectly with a combination of selected fruits and nuts to ensure that Natural Style Muesli is not only nutritious, but tastes great too. Guaranteed Goodness in every bowl.

**Contains beta glucan to help lower cholesterol ^**

^ As part of a healthy diet low in saturated fat, 3g of beta glucan every day is required to help lower cholesterol. Our Aussie cereals are made in our factory along the banks of the Murray River, combining the finest ingredients from Australia and around the world.
